Hva skjer når vi får data digitalt fra byggeplass?

Block Watne har kortet ned responstid på reklamasjoner fra 25 til 3,6 dager

Antas besparelse på minst ca. 2,8 MNOK per år for byggeledere i Block Watne (to timer eff. tid spart per uke)

+ øvrige besparelser, effektivisering, fremtidige muligheter knyttet til datafangst, forbedret KTI, RUH/HMS m.m.
